

*Testimony of Ingrid M. Canady
Interim Executive Director, State Education Resource Center
Before the Labor and Public Employees Committee
March 3, 2015*

Good Afternoon Distinguished Committee Members:

My name is Ingrid M. Canady, Interim Executive Director of the State Education Resource Center (SERC).

I am here today regarding Raised Senate Bill No. 984: An Act Concerning the Unionization of Agricultural Workers, Non Partisan Legislative Management Employees and State Education Resource Center Employees.

As of today, I don't have a particular position regarding this Bill because our newly appointed Board of Directors has not had the opportunity to review the Bill and its impact to our newly created Quasi-Public Agency.

I would like to request to the Committee as it considers this Bill, please know that the SERC Board of Directors would like to provide input and assistance to ensure SERC has a clear understanding of the impact of the Bill to our agency and to our staff.

Thank you for the opportunity to speak before you today.

Ingrid M. Canady, Interim Executive Director
